REMARKS

Applicant's representative would like to thank Examiner Eshete for the courtesies extended during telephonic interviews conducted on 26 March 2007 and 27 March 2007. During the 26 March 2007 interview, Applicant's representative noted that the Amendment filed 20 December 2006 incorrectly added the terms "intake rocker arm" and "exhaust rocker arm" *in addition to* the term "rocker arm" already recited by independent Claim 1. Applicant's representative proposed amending independent Claim 1 to recite that the rocker arm includes an intake rocker arm and an exhaust rocker arm, as amended herewith. The Examiner agreed to enter the above amendments to independent Claim 1 into the Record. During the interview conducted on 27 March 2007, Applicant's representative proposed amending Claim 3 at line 1 to replace the term "rocker arm" with the term "intake rocker arm." The Examiner agreed to enter the proposed amendment to Claim 3 into the Record. In addition to the foregoing, the Examiner agreed to cancel Claims 4 and 7-9. Applicant respectfully requests that the Examiner amend the claims, as indicated above, to correct the above-described typographical errors.

The Examiner is invited to contact Applicant's representative by telephone at (248) 944-6500 if such communication will expedite allowance and issuance of this application.

Respectfully submitted,
